

# Men's Reading Group

-----Sharing & investing in LIFE-----

It's prayer this term. Don't be discouraged! We can learn to pray well with Don Carson's help.

*"This newly-formatted reprint of an old classic is, as ever, a pleasure to read. If you are looking for an indepth study on prayer rooted in Scripture, this is a good place to start. Carson treats eight of Paul's prayers, each in separate chapters, interspersed with other chapters on topics such as praying for others, excuses for not praying and prayers to a God who is sovereign." Join us fortnightly from Saturday 14<sup>th</sup> January. New members welcome. Coffee, Tea and Pastries provided. Sense of humour optional. Don't think that you have to love books to join us. Some of us barely read one book a year and all of us learn the most from what other members of the group say.
